## CHRISTMAS THROUGH CHILDRENS EYES

BY VINCE TRANI & ROBERT WENDEL

Little faces wide with wonder at the Christmas tree  
Makes me think of Christmas as a child.  
Throwing snowballs, writing Santa, wishing for a pony.  
Takes me back to Christmas as a child.

Simple joys. lots of toys. Easy to surprise.  
Let me see Christmas time through a child's eyes.  
Let me remember how it felt before I grew old and wise.  
Let me see Christmas time through a child's eyes.

Watching chestnuts slowly roasting in the fireplace.  
Makes me think of Christmas as a child.  
Singing carols, telling stories, smelling cookies baking.  
Takes me back to Christmas as a child.

Helping out mom and dad trim the Christmas tree.  
Hang a wreath upon the door for everyone to see.  
Let me remember how it felt before I grew old and wise.  
Let me see Christmas time through a child's eyes.

[Interlude]

Opening presents on Christmas morning, placing the Baby in the stable,  
Relatives visit for Christmas dinner. Sitting at the "little table."  
Take me back to a time when toy trains still can mesmerize.  
Snowmen dance, and reindeer fly... and I see Christmas through a child's eyes.
